SOUTH AUSTRALIA

Lump sum entitlements for whole person impairment (WPI)

Post 1st July 2015

> **Non-economic loss** - Lump sum payment for loss of function

The worker must achieve a **WPI assessment of 5% or above.**

Only **one permanent impairment assessment** per incident.

Not available for **psychiatric injury or mental harm.**

> **Economic loss** - Lump sum payment for loss of earning capacity

Available to workers with a WPI of between 5% and 29%, scaled down based on capacity to work and age.

Not available for workers with pre 1 July 2015 injuries.

Not available for "seriously injured" workers i.e. those with WPI.*

* A worker is "seriously injured" if they have a WPI assessment of 30% or greater.
